PROFESSIONAL EXPERIENCE

Lavazza Group North America | *Home Channel Strategy & BI Analyst* | New York, NY *April 2025 - Present*

- Partner cross-functionally with Sales, Marketing, Finance, Demand Planning, and Commercial Strategy to translate consumer insights, retail performance, market trends, and business priorities into actionable planning and execution across the Home Channel.
- Develop leadership- and customer-facing selling stories and business reviews, translating shipment, consumption, retail performance, and market trends into clear business opportunities, recommendations, and next steps.
- Co-developed a cross-functional Shipment vs. Consumption dashboard, creating a centralized, self-service view now used across business reviews and sell-out reporting to reduce manual analysis, identify shipment-to-consumption gaps earlier, and improve cross-functional decision-making across Demand Planning, Sales, Logistics, and BI.

Bellisio Foods Inc., CP Foods North America | *Sales & Projects Coordinator* | Remote *October 2023 - April 2025*

- Developed trade marketing strategies, customer-ready selling stories, promotional materials, and marketing assets supporting Costco, Walmart, and distributor presentations; contributed to Costco expansion from 1 to 5 items and approximately +67% net sales growth.
- Managed timelines and coordinated product samples, merchandising materials, food shows, and retail activations, partnering with Sales, Marketing, Supply Chain, Finance, brokers, and customers to move initiatives from planning through execution.
- Supported customer and promotional planning across major retail accounts, translating business priorities and performance insights into recommendations, presentations, and execution plans for Sales and Marketing teams.

Full House Vision Inc. | *Marketing and Events Coordinator (Part-Time)* | New York, NY *March 2025 - Present*

- Coordinate marketing initiatives across event logistics, visual presentation, website updates, social media, and on-brand marketing assets.
- Support event execution from planning through on-site delivery, coordinating logistics, visual details, and branded materials to create a cohesive attendee experience.

Ivester Jackson–Christie's International Real Estate | *Visual Marketing & Social Media (Freelance)* | Remote *August 2023 - Present*

- Create and refine branded social media content, visual assets, and promotional materials, contributing creative direction and maintaining a cohesive brand presence across digital channels.

Fresh Prints Custom Apparel | *Campus Sales & Marketing Manager* | Elon, NC *July 2022 - May 2023*

- Served as an on-campus brand representative responsible for local sales, grassroots marketing, customer relationships, and brand visibility.
- Partnered with student organizations to execute branded apparel and event activations from initial outreach and creative direction through ordering, coordination, and delivery.
